About the Musical

In the realm of Camelot, King Arthur has created a utopian land of chivalry and civil rule. But when his beloved Queen Guenevere and Sir Lancelot, his most trusted knight, succumb to their passion for one another, he faces a terrible dilemma that will rock his kingdom to its very foundation.

A gorgeous musical score gilds a legendary tale of idealism, passion and betrayal.

Content Advisory

Suitable for ages 8 and up, *Camelot* involves sword fighting and birds of prey. This production uses fog, haze and live animals.
