Dear Dan,

On behalf of Reach for the Rainbow's Board of Directors, the Crystal Ball Committee members, the staff and the families that we serve, we thank you for taking us into your hearts and donating to our gala this year.

How can two words such as 'Thank You' express Reach for the Rainbow's sentiments, when our thoughts overflow with emotional gratitude towards the many corporations and individuals that have donated time, money, auction product and vacation packages to this year's Crystal Ball Gala. Your generous commitment has allowed us to continue our mandate of providing integrated recreational opportunities to children and young adults with physical and developmental disabilities and their families. We are elated to have met our goal of over \$1 million dollars (final numbers still to come). As one of our coveted donors, we recognize the important role that you have played in the phenomenal success that the agency has achieved with this signature event.

After three days of round the clock set-up, day-of event activity and function tear-down, orchestrated by a hand-full of Reach for the Rainbow staff and more than 400 volunteers & production crew – the end result is what speaks the loudest for our charity – the funds raised. These funds have allowed over 700 young people with disabilities to experience integrated recreational activities at our 35 partnering camps across Ontario in 2012.

Everyone has a different reason as to why they endorse charitable causes, but the most important aspect of that endorsement is to know that the commitment has truly helped and made a difference. Once again, on behalf of everyone at Reach for the Rainbow, please accept our sincere appreciation for your unwavering dedication to our cause.

Have a safe and joyous holiday season with your family and friends as we wish you well for the coming New Year.

Our sincerest and warmest gratitude,

Jaclyn Noble
