Dear Dan,

As you know, the Kitchener-Waterloo Humane Society (KWHS) provides humane education, law enforcement, and sheltering of animals in this community, and since we do not receive any government funding we reach out to the community for donations to assist the animals and to support the program of the KWHS.

It is in this spirit that I would wholeheartedly like to thank Hawkeye Bird and Animal Control Inc. for your ongoing support and volunteer work with numerous injured birds of prey, being their ambulance, providing care, and if required, investing several thousand of your money with the Small Animal Clinic at the University of Guelph. All this time and energy is much appreciated, and assists greatly with our rehabilitation goals and the ultimate release of these magnificent creatures back into the wild.

Our staff is pleased and willing to work with you on further projects such as the Walkathon and our 'On the Cat Walk' Fashion Show (perhaps we can have some of your hawks and falcons in the show too?).

I look forward to hearing from you so that we may expand upon our previous discussions. Here's to a mutually beneficial cooperation and an even closer understanding in the years to come.

Sincerely,
